RULES FOR MASONIC DATES

Ancient Craft Masons commence their era with the creation of the world, calling it anno Lucis (A.L.) "in the year of Light."

Add 4000 years to common time, thus: 1977 plus 4000 equals 5977.

Royal Arch Masons date from the year of the Second Temple, which was commenced by Zerubbabel, Anno Inventionis (A Inv.) "In the year of Discovery."

Add 530 years to common time, thus: 1977 plus 530 equals 2507.

Royal and Select Masters date from the year in which the Temple of Solomon was completed: Anno Depositionis (A Dep.) "In the year of Deposit."

Add 1000 years to common time, thus: 1977 plus 1000 equals 2977.

Knights Templer commence their year with the organization of their order, Anno Ordinis (A.O.) "In the year of the Order."
1977 minus 1118 equals 859.

Scottish Rite—Same as Ancient Craft, except the Jewish chronology is used. Anno Mundi (A.M.) "in the year of the World."

Add 3760 to the common year, thus: 1977 plus 3760 equals 5737. After September add another year.

Order of the Eastern Star date their era with the organization of the Order (1850 A.D.,) "In the year of the Rite." Adoptive Rite (A.R. A.D. 1977 equals AR 127).

Masonic Directory

Terre Haute, Indiana.

Published by the
Terre Haute, Masonic Temple Association
Terre Taute, Ind.
Incorporated October 11, 1911.

The Association holds the title to the Temple and its furnishings and equipment for the seven bodies named below, each of which elects annually a member of its Board of Directors, and each holding an equal share of the Association's capital stock of $14,000. The Temple's property represents an investment of approximately $400,000.00, the remaining amount necessary being raised by loans from the several bodies in varying amounts up to the limits of their resources bearing 3% interest, and secured by a trust deed to the property, and by individual subscriptions and gifts from the Eastern Star and others.

Ground for the Temple was broken November 25, 1915, the corner stone laid May 25, 1916, and the Temple dedicated July 9, 1917.

The Association's budget of expense for maintenance and operation of the Temple, including interest on the internal loans, amounts to approximately $20,000.00 annually, and is met by an assessment upon the shareholding bodies on a per capita basis, being paid from the respective lodge treasuries.

Regular monthly meetings of the Board of Directors are held at 7:00 P.M. on the second Thursday of each month.
